Presented by **HEART**land Positive Dog Training Alliance

Kansas City, MO – August 1, 2015

HEARTland Positive Dog Training Alliance (**HEART**) is excited to welcome Suzanne Clothier who will present her seminar See the Dog: The Elemental Questions on Saturday and Sunday, October 17th and 18th. Suzanne is widely respected for her holistic Relationship Centered Training approach to dogs and the people who love them. She is an award winning author and her book **Bones Would Rain from the Sky: Deepening Our Relationships With Dogs** has received wide spread praise from every corner of the dog world, including twice being included in the Wall Street Journal's list of Top 5 Dog Books.

The lecture portion of the seminar will be held at Johnson County Community College and the live demonstrations with handlers and dogs will happen at Avila College. The weekend focuses on how to ask elemental questions, and – most importantly – how to listen to the answers. For each dog, the answers to the questions provide a wealth of information to those interested in helping that dog be all that he can be.

See The Dog: The Elemental Questions provides new ways to understand and help these wonderful companions who share our lives. The seminar is open to the public as well as dog trainers and other pet professionals

For more information about the seminar and to register, please visit the **HEART**land Positive Dog Training Alliance website at www.trainerswithheart.com.
